inspect line profiles

## Features ActivZoom & ActivLineProfile

Zooming of live images

Analysis of pixel values along lines or arcs

Statistical information, for example mean pixel value

## Features of all ActivVisionTools

- Fully interactive - no line of code needed for the connection with other ActivVisionTools, the configuration of data streams and execution methods, or the assignment of regions of interest (ROIs)
- Easy adaptation to your task via multiple user interfaces
- Fast and accurate, based on the powerful HALCON library
